

**SPRING 2010: SEEK WEEK OF PRAYER & FASTING
MARCH 9, 10 & 11**

**BELIEVING FOR *"THE GOD OF MANY TOMORROWS"* TO EMPOWER US IN THIS
*"ONE LIFE TO LIVE"***

The spring season often opens spiritual windows for God to do his best work in our lives and those he calls us to reach. For this "Seek Week," we want to focus specifically on the following:

- That God would use us to reach the unreached friends, family and loved ones he's placed in our lives - where ever we "do life." Our passionate cry: That no one be "left behind," and that no one be "left aside."
 - at home
 - at work
 - at school
 - at play
 - at community involvements

- That God would break through with fresh tomorrows on behalf of:
 - for those who have suffered loss
 - for those whose hope has been damaged
 - for those who are "stuck" in life, needing fresh direction
 - for those whose relationships are challenged
 - for those battling habits, addictions and generational strongholds

- That God would usher in brand new waves of miraculous, supernatural interventions

- The return to faith of those who have drifted away
